1st February 2022

Version 9

Part Two

This document is part of a Financial Services Guide (“Guide”) and should be read in conjunction with Part 1 (A Guide to Our Relationship with You and Others) version 21, dated 1 February 2022.

This section is designed to provide you with enough information to decide whether to obtain financial advice (or any other financial service) from us. It’s an important document that will introduce your adviser, Debbie Hudson and provide you with the information you need to consider before you engage us to provide you with advice or services.

This document complements Part 1 that provided information about our Licensee and the types of documents – Statements of Advice, Records of Advice and Product Disclosure Statements – that you will receive if we provide you with personal advice. Part 1 also explained how you can provide information to us, our compensation arrangements and who to contact if you want to provide feedback or complain about our advice or services.

We’ve tried to be as clear and direct as possible but if you have any questions, we’re happy to answer them.

Advice Fees

Recommendation: For having a personalised financial plan (SoA) prepared, a plan preparation fee (ranging from \$3,850 inc GST to \$16,500 inc GST) is payable. The actual fee will depend on the complexity of your situation and the time it takes to prepare personal financial advice for you.

Implementation: I may charge a placement fee and/or implementation fee to implement the recommendations in your financial plan. These are payable when you decide to proceed with the implementation of any one or more recommendations that I provide to you. The actual fee will depend on the complexity of your situation and the amount of funds invested but will not exceed a range from \$2,200.00 inc GST (min.) to \$16,500 inc GST (max.).

Ongoing Advice Service and Reviews: If you choose to have me conduct a review of your financial plan to ensure that your financial strategies and financial products remain appropriate to you, you may be charged a review fee. If you choose to have me provide an ongoing advice service, you may be charged a fee ranging from \$3,850.00 Inc GST to \$22,000 Inc GST p.a, which will be based upon time (at \$330/hr), complexity and the number of structures / entities involved.

Note: Full details of all fees and commissions for financial services will be provided to you in a Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements at the time of receiving any recommendation.

Commissions

Insurance Products

Commissions can be received for life insurance products with the exception of life insurance implemented after 1 July 2014 for a member in a default superannuation or a group life policy in a superannuation fund.

There will be a 100% clawback of commission where the life insurance policy is cancelled, not continued or the policy cost is reduced in the first year and 60% clawback of commission in the second year.

If you choose to pay fee for service, we can rebate to you part or all of the commission we would otherwise receive for insurance arrangements.

In the interests of transparency, please understand that I will receive an upfront commission from the product issuer if you decide to buy a life risk insurance product I recommend to you. Commissions, whether up-front or ongoing, are paid to us by the Insurer.

I will receive an upfront commission of between 0% and 66% of the first year's annual premium, and then an annual ongoing commission of between 0% and 22% of the annual premium.

For example, for an insurance product with an annual premium of \$2,000, where the issuer pays me an upfront commission of 66%, I will receive \$1,320. The issuer will pay me 22% of the annual premium as ongoing commission for as long as you hold the product. Assuming an annual premium of \$2,000, this equates to \$440 per year.
